

PEACEFLIX A DISCUSSION GROUP

Join the Colorado chapter of the Episcopal Peace Fellowship for our next film and book discussion.

We will read *An Unfinished Life*, by Mark Spragg in advance, and watch the documentary *The Power of Forgiveness* at the meeting. You are welcome to join us even if you haven't read the book.

"Mark Spragg's novel of forgiveness and rebirth in a small town of the high plains has received positive reviews with the *Denver Post* saying, 'An *Unfinished Life* is a deft contemplation of completion, of change and of coming home.'"

The Power of Forgiveness is a powerful documentary featuring stories of the Amish, Ground Zero, Thich Nhat Hanh, Elie Wiesel and others, with reflections from Thomas Moore, James Forbes and Marianne Williamson
